United States Power Squadrons

Commander's Report D/C Jeff Lagrew, SN

As I write this it is snowing outside, makes me want to be on a boat even more. It is time to start planning for just that and the big kick off for those of us in the Midwest is the annual D-24 Spring Conference and Change of Watch. Make your reservations now.

The national boating season gets a little earlier start February 22, to 26 in Orlando, Florida. Please join me at the USPS national meeting, there are great opportunities to learn more about our organization as well as more about boating, also, it is a lot warmer there. I invite you all to come by my room for some good ole D-24 hospitality bourbon on Friday night.

Again, I would like to thank you to the membership for entrusting me with the responsibility of being Commander of District 24 of the United States Power Squadron this past year. We have had several fun events on a District level, and I have been able to attend many of your squadron events as well. As I expressed at all the meetings I attended, our goal for the year is finding some new members. Our motto for 2016 was:

“Fun Boaters Arr US”.

Come for the Fun, stay and learn how to make boating more fun.

We have long been known as the organization where you learn about boating, and this year we were an organization that went boating. Special thanks to Susan Durstock for setting up that fun ride on the Ohio River. I was able to join other USPS members for the Cincinnati Paddle Fest. I highly recommend everyone give this a try next year. I was also able to attend the national USPS meeting in Pittsburg. Louise and I along with 14 other squadron members spent a great week on the Erie Canal. What an engineering marvel and a neat place to visit. I am leading a group of new and existing squadron members to St Marteen in January, and we are taking another boat load of USPS members to Cuba in March. Stuff is happening. These are all opportunities I would not have had except for USPS. When thinking of all the fun you have had boating, think about sharing the experience. There are thousands of boat owners and folks who would love to own or just take a boat ride in

Indiana, Kentucky and Ohio. You know one of them so give them a call about joining you at one of your events.

As I always say good things don't just happen, good people make them happen. Please join me in thanking Terry Prather, Susan Durstock, Dallas Farley, Gwen Comer and Maureen Samuels for serving on the D-24 Bridge and for a job well done. I also want to make a special thanks to Paul Durstock and Dave Robertson for serving as my Flag Lieutenants and giving invaluable advice to a lost puppy(me). And thank you to our unsung hero Ron Eberhart who is behind the scene making things happen, and Tom Woods who secretly does my job for me.

When thinking of all the fun you have had boating, think about sharing the experience. There are thousands of boat owners and folks who would love to own or just take a boat ride in Indiana, Kentucky and Ohio. You know one of them so give them a call about joining you at one of your events.

Speaking of fun events, the Spring Conference is just around the bend and Terry and crew are going to make this a fun one. I am not sure exactly the relationship of boating and fire engines, you will have to come to the conference and find out. Please join me in welcoming in our new Commander Terry and his bridge. Things look exciting, I hope everyone will participate and bring a friend.

We are always looking for new ideas. If any one of you has a boating activity you would like to share, or an adventure you have wanted to try but needed some help, please let me know. It is great fun to try new things on the water and even more fun to do it with a group of friends. Again, I am asking each of you to bring one person you know who boats, or may like to boat, but is not a member to one of our activities. As always, more members = more fun.

Remember, Safe Boating is No Accident. See you at our Spring Conference.

SPECIAL NOTICE — CALL TO THE MEETING

United States Power Squadron D/24 Spring Council and Conference

"SEE YOU IN INDY"

10/11/12 MARCH 2017

DISTRICT 24 2017 SPRING COUNCIL AND CONFERENCE

The Hoosier Sail and Power Squadron wishes to extend to you an invitation to join us for a 'Hoosier Experience' in Indianapolis, Indiana the weekend of 10/11/12 March 2017. We have the honor of hosting the District 24 2017 Spring Council and Conference. As many of you know the Spring Council and Conference is the time when we bid farewell to the 'Old D/24 Bridge Officers' and welcome in the 'New D/24 Bridge Officers'. Stepping into the command post on 11 March will be Hoosier member Andrew Terry Prather and the Hoosier Sail and Power Squadron takes pride in honoring Terry in this manner.

This Council and Conference will be held at the Fort Harrison State Park Inn and Garrison Conference Center. This facility is part of Fort Benjamin Harrison located in the northeast quadrant of Indianapolis.

On Friday evening, to kick off the weekend, we are offering a pasta buffet for \$26.50 per person. You will enjoy your dining experience with old and new boating friends alike. Our Friday evening dining will conclude with entertainment from one of Indy's top Blues Singers 'Queen Delphine'. Her accompaniment will be from the 'Crown Jewels'. Plan to put this in your 'Hoosier Experience' for the weekend.

Saturday will always boast with meetings, meetings, and more meetings for our members. Members and non-members alike will come together for lunch on Saturday – an old fashion picnic (indoors). Following lunch the non-members and those members who are 'bored' will have the opportunity to experience one of three 'mystery trips'. Saturday evening we will turn our thoughts to more food. Please join us in the Roosevelt Ballroom for our evening banquet.

As always our Hospitality Room will be open throughout the weekend offering 'Hoosier Hospitality' to all.

Sunday your time will be turned over to reminiscing with old and new friends as we all head back to our private lives. **Before returning back to your 'normal world' Sunday plan on staying for the Hoosier Sail and Power Squadron Change of Watch luncheon.**

This article started out with SEE YOU IN INDY and will end with SEE YOU IN INDY 10/11/12 March 2017.
